Blood and Sand - University of California Press

Blood and Sand There are many deserts, and many deserts within each of them The desert I write about here is both physical and subjective, of flesh and spirit, and it is the reason I wound up living in the Mojave: the desert of drugs and the "drug war" I have spent the last several weeks working with the Movimiento por la Paz con

Blood in the Sand - In Her Majesty's Name!

Not a single enemy body had been found so far There was blood in the sand outside the fort, baked dry by the relentless sun, and in the gateway, but not so much as one might expect given the firepower available to the Legionnaires who defended this fort "Moreau!" came a shout, "over here!"
